

Radiant Respect Tips

1. Ask your husband what respect means to him. Ask him how you can show him respect more often.
2. Thank him often for how he takes care of you and the family.
3. Tell him you respect him. Smile, turn, and leave the room. He may ask you why you respect him. Turn and smile at him and tell him two things that cause you to respect him.
4. Praise him for one of his accomplishments when you were first married.
5. Praise him for two things he accomplished in 2023.
6. Ask his opinion on a project that you are working on. Talk it over and hopefully, you can take his advice.
7. Thank him for helping you. Thank him for doing his chores, like taking out the trash.
8. Create a colorful design. In the middle of the design, write about the spectacular job he did. Put it on the refrigerator for all to see.
9. Cook his favorite meal for no reason at all other than you love and respect him.
10. Take him shopping with you and ask his opinion about your choices.
11. Wear the clothes that he likes.
12. Thank him for being the man he is.
13. Help him with his projects.
14. Join him in one of his hobbies. Learn the rules or objectives of the hobby and take interest in it.
15. Focus on his positive characteristics and tell him, you appreciate them.
16. Write a note that tells him how much you respect him.
17. As you cuddle, pray out loud a prayer of thanksgiving to the Lord about how much your husband means to you. Thank God for giving you this man.

Radiant Respect Tips

18. Tell your man how he has grown since you were married and how you look forward to seeing the man he will become in the years to come.
19. Before he begins the day, embrace him, and pray that the Lord will give him wisdom and joy throughout his day and that others will be blessed by him as he blesses you.
If he is facing a challenge, pray that the Lord will guide him.
20. Take a photo of your man, put it on social media and tell the world he has made the world a better place. Be sure to show him your post and if anyone commented and/or liked/loved the post.
